Dear Mr. Morisy:

The U.S. Office of Personnel Management (OPM) has received your request for information pursuant to the Freedom of Information Act (FOIA, 5 USC 552), dated July 15, 2013, and received in OPM on the same day.

Specifically, you requested:

"A copy of all correspondence to OPM from nonprofit organizations and charities regarding potential changes to the Combined Federal Campaign program, during calendar year 2013."

The FOIA request number for this request is 2013-06117. Please reference this number in any future communication with OPM about this request.

OPM processes FOIA requests on a "first-in, first-out" basis. The actual processing time will vary depending upon the complexity of the request and whether or not it involves voluminous records or extensive searches or consultations. OPM also processes FOIA requests on a multi-track basis. This means that simple requests, requiring minimal effort to respond, are processed in one track; and complex requests involving voluminous records, extensive searches or consultations (requiring more than 20 workdays to respond) are processed in another track. We have placed your request in the simple track.

If you have any questions regarding your request, you may contact the FOIA Service Center by email at foia@opm.gov or by calling (202) 606-3642.

Sincerely,

FOIA Coordinator
